

OCEAN SCAPE
ABU DHABI

Land of the gazelle

The capital of the UAE, Abu Dhabi, has transformed from its original simple island settlement, to today's modern business, leisure and tourism hub. Set across several islands and famous for its pristine corniche, the emirate also represents a great investment destination too.

Al Reem Island

Occupying a prime seafront location and just 300 metres away from the centre of the city, Al Reem Island, Abu Dhabi, is an extraordinary development with business / residential towers, shopping centres, restaurants and cafés – set against a stunning backdrop of spectacular views. Master planned by renowned international architects, town planners and designers, the community offers a unique level of balance and harmony.

The island is just 20 minutes from Abu Dhabi International Airport, within easy reach of Dubai, and presents residents and guests with environmentally-conscious features such as open parkland, playgrounds and cycle paths.
